ES UNA DE LAS PIEDRAS NATURALES MÁS UTILIZADAS

No sólo actualmente, sino que desde la antigüedad es una piedra natural muy utilizada, tanto para decoración como para construcción. De hecho, se podría considerar la piedra natural favorita de antiguas civilizaciones, pues su diseño y su resistencia se conoce desde hace tiempo. Esto se ha extendido hasta el día de hoy, pues el mármol blanco Macael luce en muchos baños, cocinas u otras estancias de nuestros hogares.

LAS 7 MARAVILLAS DEL MUNDO POSEEN UNA PARTE DE MÁRMOL

Sí, todas y cada una de las 7 maravillas del mundo tienen una parte que está construida en mármol. Increíble, ¿no? Un ejemplo es el Taj Mahal, una impresionante construcción en la que se emplearon mármol blanco, caliza e incluso gemas. Como ves, el mármol blanco Macael luce espectacular en cualquier tipo de construcción.

IT IS ONE OF THE MOST USED NATURAL STONES

Not only nowadays, but since ancient times it is a natural stone widely used, both for decoration and construction. In fact, it could be considered the favorite natural stone of ancient civilizations, as its design and resistance has been known for a long time. This has extended to the present day, as the white Macael marble can be found in many bathrooms, kitchens and other rooms of our homes.

THE 7 WONDERS OF THE WORLD HAVE A PART OF MARBLE

Yes, each and every one of the 7 wonders of the world has a part that is built in marble. Amazing, isn't it? One example is the Taj Mahal, an impressive construction in which white marble, limestone and even gems were used. As you can see, white Macael marble looks spectacular in any type of construction.
