Sobre Roca Tiles / About Roca tiles

01

Es nuevo. Es un clásico. Es Roca.

Somos Roca. Una marca clásica elegida para ser parte de la vida de las personas en más de 170 mercados en los 5 continentes. Roca es tradición, oficio, pasión y futuro.

Y un presente lleno de novedades:

Nos hemos unido al Grupo Lamosa para mejorar nuestra capacidad tecnológica y ofrecer un nuevo producto más flexible que combina calidad y eficiencia para garantizar los resultados más competitivos.

Se trata de una oferta más simplificada, con un producto más fino, ligero y flexible capaz de cubrir todas las necesidades de diseño.

¿Cómo es posible?

Nuestras instalaciones industriales están equipadas para acelerar y optimizar grandes volúmenes de materia prima, agilizando así la producción, el almacenamiento y la entrega.

Un camino más sostenible

También estamos invirtiendo en minimizar la huella de carbono con una producción más simplificada y un producto más fino que permite consumir menos energía a la hora de cocinarlo y maximizar el espacio de almacenamiento a la hora de transportarlo. Porque menos puede ser más y marcar la diferencia. Descubre en las próximas páginas cuán lejos puedes llegar con nosotros.

It's new. It's a classic. It's Roca.

We are Roca. The classic brand chosen to be part of people's lives in more than 170 markets over the 5 continents. Tradition, trade, passion and future.

And a present full of news:

We partnered with Grupo Lamosa to improve our technological capacity and introduce a new flexible product focused on balancing quality and efficiency to deliver competitive results.

Our new simplified offer is slim, light and flexible enough to fit all your different design needs.

How is this possible?

Our industrial facilities are now ready to accelerate and optimize high volumes of raw material, speeding up production, storage and delivery.

Turning more sustainable

We are also investing in minimizing the carbon footprint, thanks to a simplified production and a slimmer product that consumes less energy when cooking and maximizes storage space when transporting it.

Because less can make the difference and thus means more.

Discover in the next pages how far you can get with us.

THE NEW STAND —ARD

Hemos cambiado. Pero nuestro cambio no se trata de nosotros sino de todos los beneficios que hemos introducido para facilitar tus decisiones.

We have changed. And our change is not about us, but all the benefits that we are introducing to facilitate your decisions.

Simplicity

Quitando complejidad para ofrecer un estándar más simple de 4 medidas capaz de ofrecer infinitas combinaciones y opciones.

Eliminating complexity to offer a simple standard with 4 sizes that can match infinite options.

Accuracy

Reduciendo nuestro catálogo para especializarnos en producto para disfrutar de una oferta más especializada.

Reducing our catalogue to specialize in products so you can enjoy a more accurate offer.

Quality

Mejorando la técnica para ofrecer un producto más confiable y diseñado para durar.

Focusing on improving technique, so you can receive a trustable product designed to last.

Flexibility

Con estas sencillas medidas, el mismo producto puede utilizarse en múltiples formas, superficies y combinaciones.

Due to these simple measures, the same product can be used in multiple ways, surfaces and combinations.

Adaptability

Gracias a la optimización del peso y grosor, incorporamos un producto multiespacio de calidad, fácil y seguro de instalar en superficies horizontales o verticales.

Optimizing the weight and thickness to introduce a quality multi-space product, easy and safe to install from floor to wall.

Actualmente estamos en un momento de transición con el objetivo final de normalizar todos los espesores a 7 mm, por lo que antes de introducir un pedido recomendamos consultar con Costumer Service la situación del producto y el espesor en el que será servido. En estos momentos convive el stock en 8,7mm, 8mm y 7mm.

We are currently transitioning to standardize all of our products to have a thicknesses of 7 mm. Before placing an order we recommend consulting our Customer Service about the status and thickness of the product to know exactly what will be delivered. Presently stock coexists in 8.7mm, 8mm and 7mm.

RockStone

06

Rockstone es una excepcional colección de porcelánicos técnicos, que revolucionan los acabados para espacios de alto tránsito.

Como piedra técnica, ofrece cualidades extraordinarias, como mínima porosidad, perdurabilidad de colores con el paso del tiempo, propiedades antideslizantes certificadas CTE Clase 2 R10 B y adaptación en espacios heterogéneos. Las excelentes propiedades de este porcelánico técnico le permiten resistir ante desgastes, productos químicos, suciedad o peso, manteniendo todas sus características específicas.

Rockstone is an exceptional collection of technical porcelain tiles that revolutionize finishes for high-traffic spaces, durable in time and use and requiring minimal maintenance needs.

As a technical product offers extraordinary qualities, such as minimal porosity, durability of colors over time, certified CTE Class 2 R10 B slip-resistant properties and adaptation to heterogeneous spaces. The excellent properties of this technical porcelain tile allow it to resist wear, chemicals, dirt or weight, while maintaining all its specific characteristics.

Characteristics / Características

Resistance

Gran resistencia al desgaste debido a que la pasta es coloreada y pigmentada como la parte visible de la pieza.

Great resistance to wear because the body of the tile is colored and pigmented to match the visible part of the piece.

Slip-resistant

Tacto suave y antideslizante certificado CTE C2 R10 B, acabado natural en modo soft con microtextura sedosa, en suelos seguros.

Soft touch and slip-resistant certified CTE C2 R10 B, natural finish with silky microtexture making it "soft" and safe on floors.

Very resistant

Superficie muy resistente a abrasión o raspado, con categoría de dureza 9 en la escala de Mohs.

Surface very resistant to abrasion or scraping, with a hardness category of 9 on the Mohs scale.

High traffic spaces

Uso indicado para espacios de alto tránsito, por su mínima porosidad y resistencia ante productos químicos, suciedad o peso, manteniendo todas sus características específicas.

Use indicated for high traffic spaces, due to its minimal porosity and resistance to chemicals, dirt or weight, maintaining all its specific characteristics.

Natural

Componentes y texturas inspirados en piedra natural, asegurando un acabado perfecto, con todas las ventajas de una superficie porcelánica.

Components and textures inspired by natural stone, ensuring a perfect finish, with all the advantages of a porcelain surface.

Hemos reinventando el uso del porcelánico de 7 mm de espesor para que descubras nuevos modos de aplicarlo en tu hogar. Con The New Standard rompemos clichés sobre el uso de pavimentos y revestimientos, con colecciones floor to wall, diseñadas para dar continuidad de suelo a pared sin tener que variar de producto. Junto a ello hemos diseñado porcelánicos decorados que revisten tus estancias y combinan a la perfección con diferentes colecciones, para que elijas los que mejor se adapten a tu objetivo. En definitiva, nuevos usos para nuevas formas de sentir tu espacio.

We have reinvented the use of 7 mm thickness porcelain so that you can discover new ways to apply it in your home. With The New Standard we break clichés about the use of floor and wall tiles, with floor to wall collections, designed to give floor to wall continuity without the need to switch products. We have also designed decorated porcelain tiles that cover your rooms and combine perfectly with different collections, so that you are free to choose the ones that best suit your purpose. In short, new uses for new ways of feeling your space.

Creemos para dar grandes resultados con lo mejor del mármol, la piedra y el acabado cemento porcelánico. Para que la visual de nuestros suelos tenga cada vez menos juntas y para facilitar la modularidad de las colecciones, nuestros 80x80 son ahora 90x90 y 7 mm.

We expand to give great results with the best of marble, stone and porcelain cement finishes. In order to reduce the number of joints in the visual appearance of our floors and to facilitate the modularity of the collections, our 80x80 now becomes 90x90 and 7 mm.
