
SENZIA

AUTHENTICITY IS FOUND IN THE SMALLEST THINGS

EN

In a context where the world is advancing, and along with it, the needs of companies and people. Senzia is born, a brand starring the pottery small format, which will be an extension of the best collections of Navarti.

An opportunity to finish completing the series, giving rhythm and personality to the spaces covered with our ceramics.

ES

En un contexto donde el mundo avanza, y con ello, las necesidades de las empresas y personas. Nace Senzia, una marca protagonizada por la cerámica de pequeño formato, que será una ampliación de las mejores colecciones de Navarti.

Una oportunidad para terminar de completar las series, dando ritmo y personalidad a los espacios revestidos con nuestra cerámica.

SENZIA

The chevron format reproduces the characteristic geometric arrows of wooden floors. With as many placement possibilities as you can imagine, chevron shapes allows you to play with the left and right arrows and create original combinations for home and commercial projects.

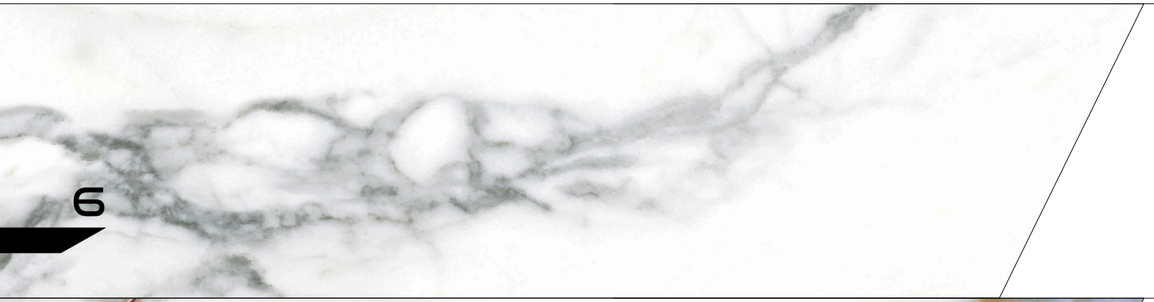

El formato chevron reproduce las características flechas geométricas de suelos de madera, con tantas posibilidades de colocación como puedas imaginar, las formas de chevron te permiten jugar con las flechas izquierda y derecha y crear combinaciones originales para proyectos domésticos y comerciales.

With hexagonal tiles, chromatic compositions can be arranged that, in addition to being decorative, create optical effects capable of expanding or lengthening surfaces, balancing proportions or hiding geometric irregularities in a room.

Hexagonal is a format that can be easily combined with many styles: minimalist, vintage, classic, shabby chic or rustic.

Con las baldosas hexagonales se pueden disponer composiciones cromáticas que, además de decorativas, crean efectos ópticos capaces de ampliar o alargar superficies, equilibrar proporciones u ocultar irregularidades geométricas en una estancia.

El formato hexagonal se puede combinar fácilmente con muchos estilos: minimalista, vintage, clásico, shabby chic o rústico.

The rectangular format, depending on the chosen location, provides dynamism. Or, on the contrary, calm down.

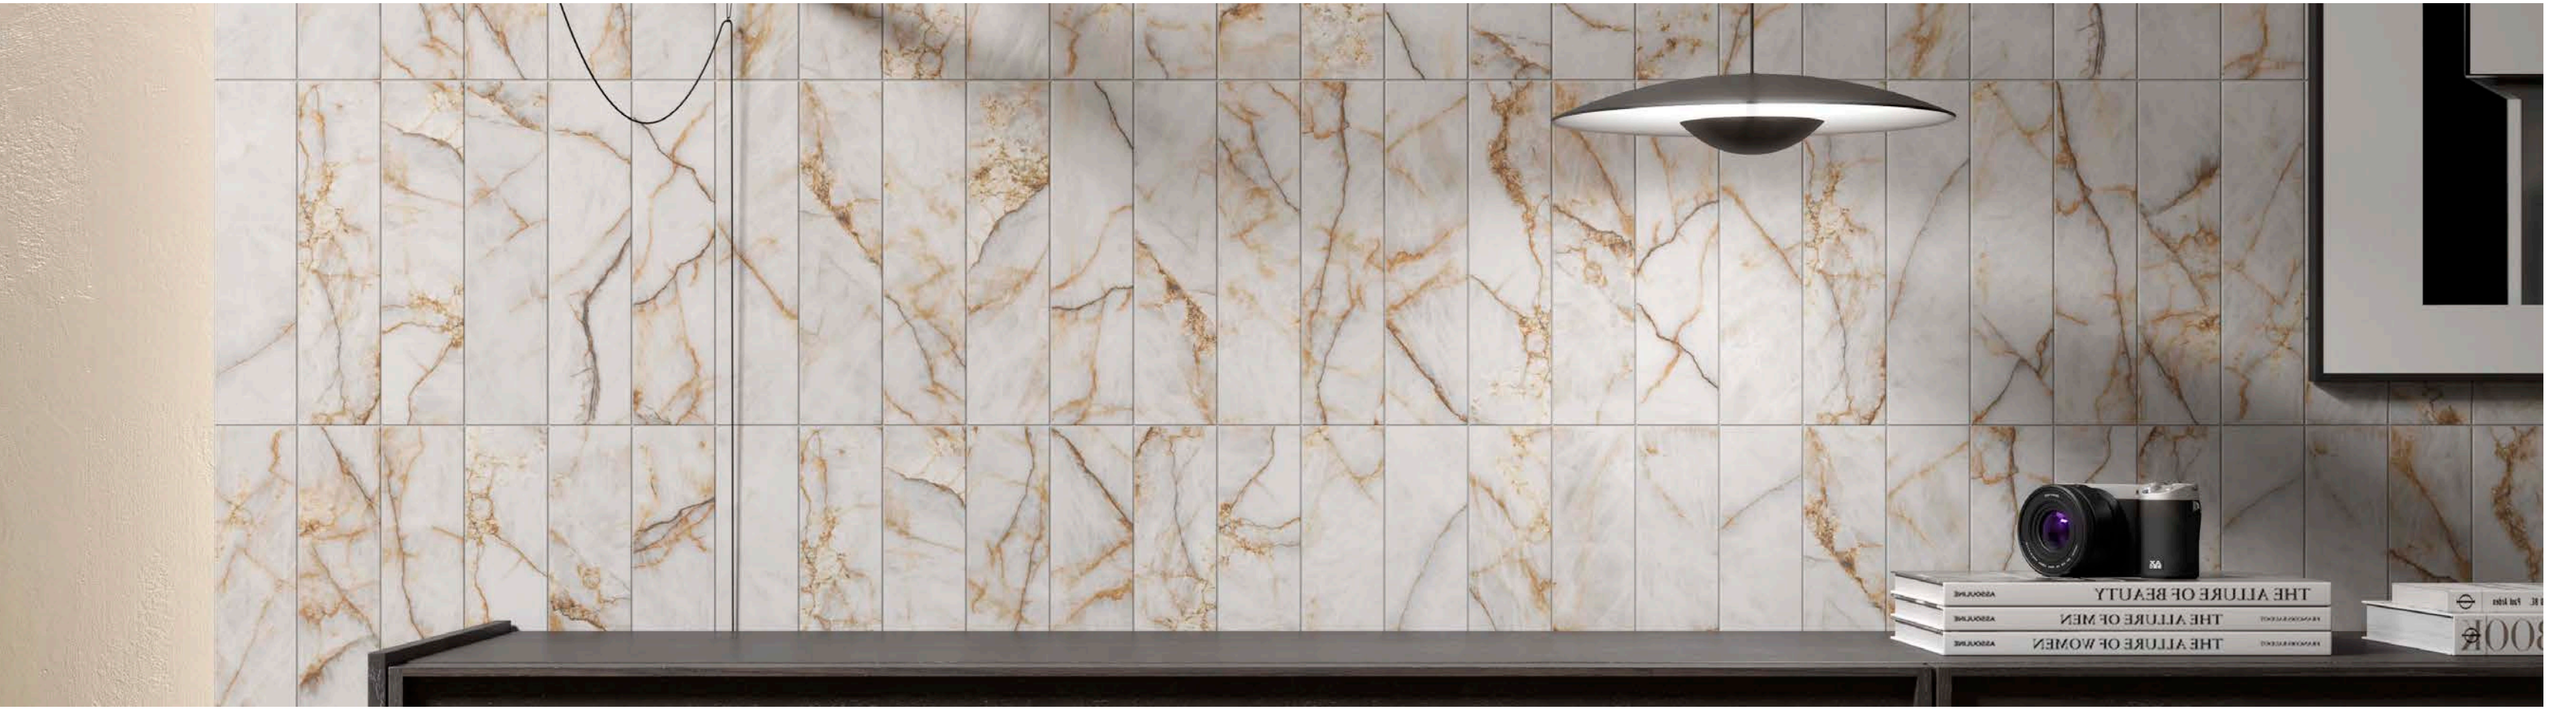

A type of versatile format that will not go unnoticed.

El formato rectangular, dependiendo de la ubicación elegida, aporta dinamismo. O, por el contrario, calma.

Un tipo de formato versátil que no pasará desapercibido.
